

OFFICE OF THE PRESIDENT

Dear Colleague:

Welcome to the University of Virginia and to our Executive Onboarding Program. The program gives new executive-level employees the resources necessary for a successful start here. Social events planned throughout the onboarding year will help you meet your new colleagues and build strong peer networks across the Grounds. All of this will help you have a smooth transition as you begin your work at the University.

Our faculty, staff, and students are dedicated to the University's core missions of teaching, research, and service. We believe in collaboration and innovation as guiding values. As you join us, you bring unique expertise, skills, and perspectives that will enrich and strengthen our community. We are delighted that you have decided to join us.

Very truly yours,

Teresa A. Sullivan
President
